

- Protection tube 100 mm

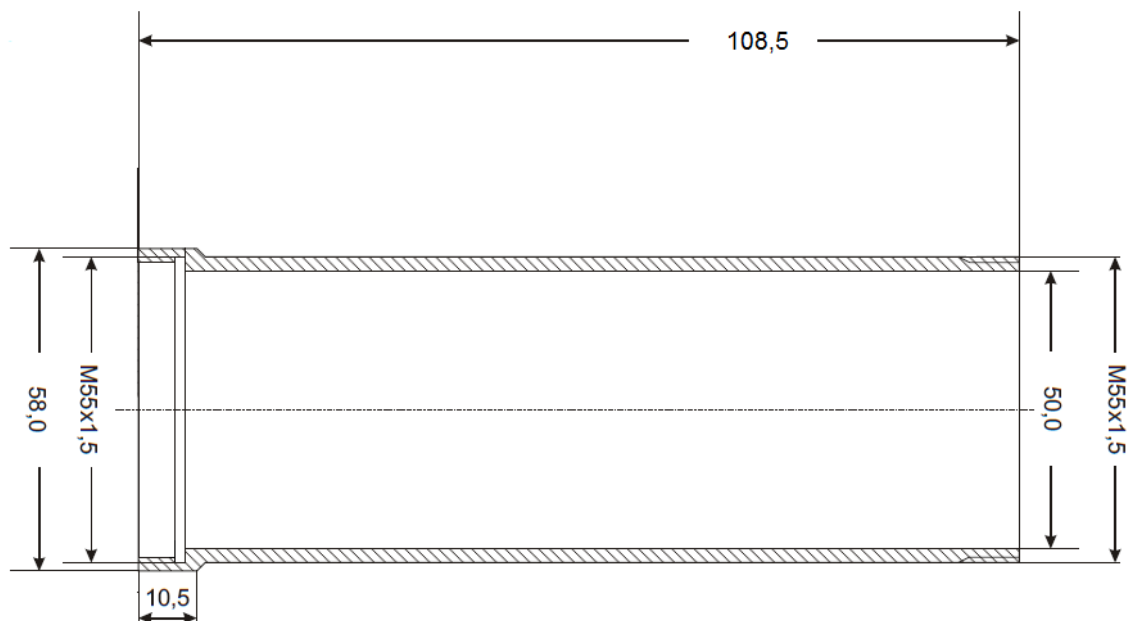

### Product Characteristics

|             |                                                       |
|-------------|-------------------------------------------------------|
| Type        | OL 37                                                 |
| Art.-No.    | 9828T                                                 |
| Application | Protection tube for Air purge adapter OL 34 and OL 35 |

### Technical Data

|                 |                 |
|-----------------|-----------------|
| length          | 108,5 mm        |
| internal thread | M55             |
| external tread  | M55             |
| Material        | stainless steel |
| Weight          | 0,35 kg         |

### Dimension (mm)

### Accessories (not in scope of supply)

|                   | Type  | Art.-No. |
|-------------------|-------|----------|
| Air purge adapter | OL 34 | 9828Q    |
| Air purge adapter | OL 35 | 9828R    |
